3. W. & E. Queen St. (both sides) between Franklin St. and Eaton St.
4. King St. (both sides) between Settlers Landing Rd. and Lincoln St.
5. South Armistead (both sides) between Settlers Landing Rd. and Victoria Blvd.
6. Lasalle Avenue (west side) between Victoria Blvd. and Chesapeake Ave.
7. Chesapeake Avenue (both sides) between Lasalle Ave. and Pear St.
7. Pear St. (east side) between Chesapeake Ave. and Victoria Blvd.
8. Victoria Blvd (south side) between Pear St. and Powhatan Pkwy.
9. Powhatan Pkwy/Powerplant Pkwy between Victoria Blvd. and Pine Chapel Rd.

Half Marathon Detour Recommendations

1. The half marathon course is within a zone framed by Coliseum Drive, Pine Chapel Road, Powerplant Parkway, W. Queen St./Settlers Landing Road, Franklin Street, W. Queen Street, S. Kings St., Lincoln Street, Eaton Street, E. Queen St; S. Kings St., Settlers Landing Road, S. Armistead Rd., Victoria Blvd, Lasalle Avenue, Chesapeake Avenue, Pear Street, Victoria Blvd, Powhatan Parkway/Power Plant Parkway, Pine Chapel Road, and back to Coliseum Drive (see half marathon course map).
2. All or parts of these roads will be closed just prior to the start of the race at 8am. Roads will reopen to traffic as the last participants pass (see chart above). If you are inside the zone and leave before 8am, you will not be impacted. If you can reposition your car outside the zone prior to 8am, you will also not be impacted.
3. Departure from inside the zone prior to roads being re-opened will be possible for some locations by choosing alternate routes as follows:
 - From all locations from within the zone of W. Queen St./Settlers Landing Rd. to the north, S. Armistead Rd & Lasalle Ave to the east, Chesapeake Avenue in the south, and Pear St & Victoria Blvd to the west, vehicles can exit the zone by travelling on neighborhood streets to W. Pembroke Avenue and then to Powhatan Parkway. They can turn right on Powhatan Parkway and take I-664 north out of the race zone. Some recommend neighborhood routes are listed in the table below.

- Residents in the area east of Lasalle Avenue and south of Victoria Blvd (e.g. Crowne Point; Merrimac Shores; Hampton Yacht Club) can exit to Settlers Landing Rd, east, via Bridge Street. Residents can return to this area by taking S. King St. to Rudd Ln. to Bridge St.

- Residents whose driveways exit onto the race course must leave before 8am, or re-position their vehicles to a side street in order to depart the zone while the race is in progress.

- Individuals outside the zone who need to get into the zone (e.g. church services, commercial activities, etc.) must cross the zone streets before 8am, wait for police/marshal clearance during a break in runner traffic, or wait for the roads to re-open after the last participants pass.
